OUR VISION

30+
years

30+ years with plenty of energy to reinvent, develop and break boundaries.

The main Indian producer of fitness equipment The strength gained over 30 years of experience, is associated with the commitment to the customers and innovation, make Profit Fitness highlighted on the world map

The history is based on our industry experience, commercial and quality services to the customer, either in India or in other many countries. Founded in 1989 in the city of Jaipur, Rajasthan, India. The Company has been improving year by year to become the reference in its field and lead its segment in many countries.

With the vision to be present in all environments related to physical activity, in the same year of its foundation, Profit Fitness began to construct the commercial area, starting with a call shop and then today sitting in 1,00,000 sq.ft. of Infrastructure, Profit Fitness has established a closer relationship with end customers. The company has also added 150+ corporate dealers, e-commerce and market place across the world.

With its head office in Jaipur, India. Profit Fitness operates its own offices and establishes partnership for the production of fitness equipment's from worldwide suppliers.

It began with the production and sale of home use products, and then expanded to equipments for hotels, Corporates, Private Gyms, Commercial Gyms.

In its portfolio, besides products with Profit brand. the company also created some other brands: Probex, The Platinum Gym.

The Company was built not only committed to offer a complete portfolio of products, but also services. The company always takes care of after-sales. Profit Fitness has a full service network and an inventory of parts to meet the demands in warranty and out of warranty.

Economic, with production and trade of its products with a fair competitive relationship against its competitors: Environmental. Always adapted to the current law and one of the few companies in the fitness segment to promote employment and income in different sectors.

We are committed to provide India and the world a healthier means to live and promote a healthy lifestyle with more and more advanced technologies in gym equipment.

A man and a woman are running on treadmills in a gym. The man is in the foreground, wearing a grey t-shirt and white earbuds, looking forward with a determined expression. The woman is behind him, also running. The background is a blurred gym interior with bright lights. A red horizontal band is overlaid across the middle of the image, containing the text 'CARDIO EQUIPMENT' in white.
